

Remarks

The Office Action states that restriction to one allegedly distinct invention and to one allegedly patentably distinct species for a targeting component is required under 35 U.S.C. § 121.

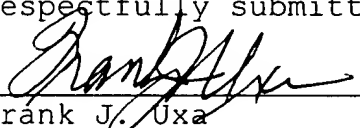

BEST AVAILABLE COPY

Applicant hereby elects Group I (claims 1-44) drawn to an agent. Applicant also elects the species as disclosed on page 20, lines 1-3 of the application and designated as Formula V. Applicant submits that claims 1-17, 22, 25-34, and 36-44 read on the elected species.

Applicant reserves the right to present additional species upon indication of an allowable generic claim. Applicant also understands that the claims will be restricted to the elected species if no generic claim is finally held to be allowable.

If a telephone interview would be of assistance in advancing prosecution of the subject application, Applicant's undersigned representative invites the Examiner to telephone him at the number provided below.

Respectfully submitted,
